

# Elite Dance

academy

Veronica has been with Elite Dance Academy for seven years. She came to Elite from the world of oil and gas trading and has never looked back. Deciding to join Candice and the Elite team has been the best decision of her life. Veronica grew up in Winnipeg and made the move to Calgary at the age of 20. Shortly after, she joined the Calgary Stampeder Outrider Dance Team, where she met Elite Dance Academy owner, Candice Mathewson, and the rest is history!

She is the “go-to” gal for all things Elite Dance. Veronica is the main contact in the office, and she keeps all of the students and parents informed and organized. Aside from administrative work, over the years she has learned that her job also includes makeup artist, plumber, hairstylist, hair tie/Band-Aid/tights/icepack dealer, handy-woman, counsellor, IT person, hug-giver, costume queen, marketer, accident cleaner, webmaster, boo-boo fixer and Elite dancewear clothing designer.

Veronica is excited to be a part of a fantastic dance studio that is helping shape the lives of today’s youth. She is enthusiastic about helping to create a positive atmosphere where students can learn the art of dance!
