academy

Sam was born and raised in Calgary and has had a passion for dance her whole life. She began dancing at Elite Dance Academy at the age of 3 and started dancing competitively in all types of dance when she was six. Sam has remained actively involved with the studio since graduating and has had the opportunity to take workshops across Canada and the United States.

Sam is a fully qualified and certified ADAPT Teacher of Dance after completing the three-year Teacher's Training Program in the ADAPT syllabus. She believes that dance not only develops technique and confidence but it also develops kids into dedicated, hardworking people as well.

Sam holds a Bachelor's Degree in Business from Mount Royal University. She also spends her time volunteering with Girl Guides of Canada. Her goal is to make a positive impact in the lives of others. She is excited to continue teaching at Elite, the very place that molded her into the person she is today, and can't wait to share her love of dance with her students!
