

# Elite Dance

academy

Miss Jen was born and raised in Calgary. She started dancing at the age of 6 at Artistique Dance Academy. She developed her technique and training in tap, jazz and ballet. As a young dancer, she travelled across Canada competing and as part of the performing group Artistique Performing Arts Association. Her favourite venues as a young dancer were the Calgary Stampede and the Penticton Peach Festival.

Miss Jen has been sharing her talent and dance skills teaching dancers for 18 years, starting in 1997, and has been involved with competitions and choreography for students for 15 years. Many of Miss Jen's students have won special awards, overall awards, choreography awards and scholarships. She is proud of all her students and their accomplishments inside the studio and out! Miss Jen loves mentoring all her "kids" and loves watching them bloom into amazing adults and has had the pleasure of helping a few become dance teachers themselves.

Miss Jen is excited to be joining the Elite Team and looks forward to many years of new adventures, laughs and accomplishments from the Elite family.
